

Old dining halls

Open some dining halls earlier

Erin Check

New dining halls

Make new dining halls/food places only used for breakfast

Erin Check

Would have to convince the president to spend the money

Erin Check

Long-term - this would cost the university a lot of money

Erin Check

Have more food trucks available in the mornings

Erin Check

Only do grubhub/online orders early in the morning

Erin Check

More around campus so everyone can access them

Erin Check

Convince students to want this to happen

Erin Check

Do fundraisers

Erin Check

Definitely the cheapest option

Erin Check

Create a new app solely for online breakfast ordering to make it more accessible

Erin Check

Issue: lots of money

Erin Check

Spread the idea through different platforms

Erin Check

Make sure they take retail swipes

Erin Check

Issue: more money to get workers to work the mornings and to get food

Erin Check

Would take up more room on campus

Erin Check

Have them parked at different spots on campus

Erin Check

Could have different dining halls open different mornings so it's less people than having them all open = less money

Erin Check

Might be difficult to get vendors

Erin Check

Have the different dining halls be kind of spread out over campus

Erin Check

App would also include the days each dining hall is open

Erin Check
